Who Should Apply

Applicants must have current list eligibility for appointment to this class, be eligible for a Training and Development Assignment or be a State employee who has transfer eligibility or is currently in the Associate Governmental Program Analyst or Staff Services Analyst classification. Applications will be screened for eligibility and only those that best meet the requirements of the job will be considered. Appointment is subject to SROA/Surplus provisions.

Duties

Under the direction of a Staff Services Manager I (SSM I), the Associate Governmental Program Analyst (AGPA) is responsible for developing, maintaining, and assisting with the execution of the Lottery's Business Continuity Program (BCP). The AGPA will perform contract administration duties and assist in the development of performance metrics, key performance indicators and service level agreements for contracts. The AGPA may act as lead.

- Develop and maintain the Lottery's BCP
- Work with the California Office of Emergency Services to ensure the program adheres to contingency planning standards
- Develop emergency management plans for recovery decision making and communications, continuity of critical departmental processes, or temporary shut-down of non-critical departments to ensure continuity of operation and governance.
- Follow up with Contractors to ensure documentation is submitted to the Lottery in a timely manner.
- Monitor and evaluate contract progress through the analysis of expenditure data, deliverables, programmatic progress, closeout reports and other applicable data
- Provide training and technical assistance on new and revised Lottery policies and procedures through individual consultations, workshops, and training sessions
- Develop reports in response to inquiries from Division Managers, Contract Managers, Finance, Internal Audits, Lottery Executive Staff, members of the Legislature, Governor's Office
- Conduct analytical studies and prepare memos containing findings and recommendations, and impact statements on issues in regards to the administration of Lottery contracts
- Develop and modify contract administration policies and procedures and training materials as needed

Desirable Qualifications

Applicants applying for this position should have:

- Experience in continuity planning
- Experience in technical, procedure and policy writing
- Experience with creating disaster recovery plans
- Experience conducting a Business Impact Analysis
- Knowledge of Governor's Office of Emergency Services (CalOES) continuity planning standards
- Good analytical skills and the ability to interpret and apply laws, regulations, and procedure
- Ability to handle multiple projects simultaneously and meet deadlines
- Strong methodical skills to work independently on most projects with minimal supervision
- The ability to work independently and capable of working cooperatively on a team

Equal Opportunity Employer: The State of California is an equal opportunity employer to all regardless of age, ancestry, color, disability (mental & physical), exercising the right to family care and medical leave, gender, gender expression, gender identity, genetic information, marital status, medical condition, military or veteran status, national origin, political affiliation, race, religious creed, sex (includes pregnancy, childbirth, breastfeeding and related medical conditions), and sexual orientation.

Background Investigation: The California State Lottery Act provides that no person may be hired as an employee of the Commission if that person has been convicted of a felony or any gambling related offense. A background check will be required.
