Who Should Apply

Applicants must have current list eligibility for appointment to this class, be eligible for a Training and Development Assignment, be a State employee who has transfer eligibility or is currently in the Systems Software Specialist II (Technical) classification, Applications will be screened for eligibility and only those that best meet the requirements of the job will be considered. Appointment is subject to SROA/Surplus provisions.

Why Apply?

The California State Lottery is looking for a talented Systems Architect with a can-do attitude and passion for figuring things out, getting things done, and making things happen. This place makes dreams come true every day while we enhance the educational experience of our California students. This is a unique opportunity for employment in the Gaming Industry while working towards a State retirement.

What you will do...

Under the general direction of the Data Processing Manager II, acts as a Lead Systems Architect for the Gaming Services Unit and provides technical expertise and leadership across the divisions. Responsible for application release management and communication, participation in and oversight of business requirements, system requirements, design, systems testing, implementation, and technical advisor on methods and procedures of more complex systems.

Need more reasons to apply? Come work in our award winning “Green” building with near-by walking trails and free on-site gym. We have free parking! Own an electric vehicle? We have electric vehicle charging stations. On our first floor, we have a Subway.

Desirable Characteristics...

Competitive applicants applying for this position will have:

- Ability to think critically and create sound written technical recommendations
- Ability to work independently as a high-level technical specialist and conduct business activities in a professional manner that leads to superior customer satisfaction
- Ability to serve as a technical lead and expert for complex requirements analysis, systems analysis, and testing
- Ability to create high performing teams that use sustainable, repeatable processes that yield results
- Ability to work appropriately with confidential material
- Ability to effectively prioritize and adhere to deadlines
- Bilingual skill desirable, but not required

Equal Opportunity Employer: The State of California is an equal opportunity employer to all regardless of age, ancestry, color, disability (mental & physical), exercising the right to family care and medical leave, gender, gender expression, gender identity, genetic information, marital status, medical condition, military or veteran status, national origin, political affiliation, race, religious creed, sex (includes pregnancy, childbirth, breastfeeding and related medical conditions), and sexual orientation.

Background Investigation: The California State Lottery Act provides that no person may be hired as an employee of the Commission if that person has been convicted of a felony or any gambling related offense. A background check will be required.
