

# The California State Lottery

## Contributions to Public Education

### Fourth Quarter Fiscal Year 2007-2008 *and* Cumulative Totals

Compiled from Information Provided  
by the State Controller's Office

October 8, 2008

To All Interested Parties:

The enclosed report summarizes disbursements from the Lottery Education Fund to public education institutions by county for the fourth quarter of FY 2007-08. This report also itemizes Lottery funding based on Proposition 20, which stipulates that 50% of funding above the FY 1997-98 benchmark be spent on instructional materials. All Lottery funding is distributed on an Average Daily Attendance (ADA) basis by the State Controller's Office.

The California State Lottery was established to provide supplemental funding for education in California. Currently, the Lottery must provide at least 34% of all revenue, unclaimed prizes, and interest in the form of supplemental funding for public education in California. In FY 2007-08, the Lottery generated over \$1.1 billion for public education, making it the eighth consecutive year that over \$1 billion has been transferred to public education.

Lottery funds account for approximately 1.5% of all education funding. Funds are distributed to K-12 schools, community colleges, the California State University, the University of California, the Hastings College of the Law, the Department of Corrections & Rehabilitation-Division of Juvenile Justice, the Department of Education-State Special Schools, the Department of Developmental Services, and the Department of Mental Health.

Information on Lottery funding is also available at [www.calottery.com](http://www.calottery.com).

Sincerely,

Joan M. Borucki  
Director

## SUMMARY INFORMATION

The California State Lottery was established in 1984 to provide supplemental funding for public education in California. Specifically, the Lottery must provide at least 34% of all revenue to the Lottery Education Fund for distribution to public education in the state. In recent years, Lottery funds have accounted for approximately 1.5% of all education funding in the state. Funds are distributed to K-12 schools, community colleges, the California State University system, the University of California system, Hastings College of Law, Department of Corrections & Rehabilitation-Juvenile Justice Division, Department of Education-State Special Schools, Department of Developmental Services and Department of Mental Health.

This report summarizes the FY 2007-08 disbursements from the Lottery Education Fund to public education.
