

California State Lottery

Contributions to Public Education

Fourth Quarter Fiscal Year 2020-2021 and Cumulative Totals

Compiled from Information Provided
by the State Controller's Office

700 North Tenth Street
Sacramento, CA 95811
calottery.com

April 8, 2022

To All Interested Parties:

The enclosed report summarizes disbursements from the State Lottery Fund to public education institutions by county for the fourth quarter of Fiscal Year (FY) 2020-21. California State Lottery (Lottery) funding is based on the average daily attendance for K-12 and community college school districts and by full-time enrollment for higher education and other specialized institutions. This report also itemizes funding based on Proposition 20, a publicly approved ballot initiative, which stipulates that 50% of funding above the FY 1997-98 benchmark be spent on instructional materials. Lottery funds are audited and distributed quarterly to beneficiaries by the State Controller's Office (SCO).

The Lottery was established to provide supplemental funding for public education in California. During the fourth quarter of FY 2020-2021, the Lottery continued to provide sales revenue along with unclaimed prizes and interest, in the form of supplemental funding for public education in California. In FY 2020-21, the Lottery generated more than \$1.8 billion for public education, making it the twenty-first consecutive year that more than \$1 billion has been transferred to public education.

Lottery funds account for less than 1.5% of all education funding. Funds are distributed to K-12 schools, community colleges, the California State University, the University of California, the Hastings College of the Law, the Department of Corrections & Rehabilitation-Division of Juvenile Justice, the Department of Education-State Special Schools, the Department of Developmental Services, and the Department of State Hospitals.
