8. MISCELLANEOUS PROVISIONS

“8.9 Subcontracting

- “A. ~~Contractor subcontracting for ticket delivery services, ticket return services, ticket delivery processing services, security or information technology support services, directly linked to the services delineated in Exhibit A, Scope of Work. However, Under~~ certain specific circumstances and upon written approval from the Lottery Contract Manager, the Lottery may agree to allow the Contractor to enter subcontracts for non-delivery services (i.e. fleet and/or uniform maintenance). The Contractor must submit a written request to the Lottery’s Contract Manager of its intent to enter each subcontract. The Contractor’s written request must be received by the Lottery Contract Manager at least fifteen (15) calendar days prior to executing each subcontract. The request must: (1) provide verification that each subcontractor agrees to be bound to Contractor in the same manner as Contractor is bound to the Lottery, (2) include a detailed description of the work to be subcontracted and, (3) a copy of each proposed, written subcontract. The Lottery Contract Manager may approve or disapprove a subcontractor at any time. However, nothing contained in this Contract creates any contractual relationship, third party or otherwise, between the Lottery and any subcontractors. Furthermore, the Contractor agrees to be as fully responsible to the Lottery for the acts and omissions of its subcontractors and of persons either directly or indirectly employed
