### **Moreno Valley Liquor Store Celebrates the First SuperLotto Plus® Jackpot Win of 2022 Worth \$13 Million**

**SACRAMENTO** – A SuperLotto Plus ticket purchased in Riverside County hit the \$13 million jackpot Saturday night! The lucky ticket was purchased at Sunnymead Liquor located at 24121 Sunnymead Boulevard in Moreno Valley. This business will earn a bonus of \$65,000 just for selling the winning ticket. The winning numbers were 25, 2, 42, 41, 13 with a Mega Ball of 27.

Many California Lottery retailers have said that selling Lottery products is good for business. Sam Hourany, owner of Jerry's Liquor in Los Angeles County, recently told the California Lottery that selling Lottery tickets is great for his store. "People who come in to buy Lottery tickets usually end up buying other items as well," Hourany said.

If someone believes they have the winning jackpot ticket, they will need to complete a California Lottery claim form. Claim forms are available on our [website](#), at all Lottery District Offices, and at any of our more than 23,000 Lottery retailers throughout the state. Winners should sign the back of their ticket in ink, make a copy of the front and back, and put it in a safe place until they can claim their prize. **If you've won the SuperLotto Plus jackpot, you have 180 days from the date of the draw to claim it.**

*The California Lottery's mission is to provide supplemental funding to California public schools, including kindergarten and grades 1-12, community colleges, the California State University, the University of California, and other California public educational entities. The funds the Lottery transferred to public education totaled more than \$1.8 billion for fiscal year 2020-21, which amounted to a modest percentage of education's overall budget. However, this funding is largely nondiscretionary, meaning schools can use this for important, yet unfunded instructional programs they would otherwise not afford. During the same period, the Lottery generated almost \$8.4 billion in sales, more than 95% of which went back to the community in the form of prize payments, retailer commissions and bonuses, and contributions to education. As jackpots rise, the California Lottery would like to remind players that gambling should be fun. Borrowing money to play, spending above a person's budget, or using money intended for other purposes can ultimately lead to significant problems for players and their families. If a player recognizes that they have a gambling problem or if someone knows of someone who may have a problem, the Lottery recommends calling the California Problem Gambling Help Line at 1-800-GAMBLER.*
