\$1.6 Million Mega Millions® Ticket Sold in Oxnard!

No One Wins Jackpot, Tuesday's Prize Currently \$480 Million

SACRAMENTO – A California Lottery player is celebrating this Saturday after they matched five out of six numbers and won \$1,698,158. The ticket was sold in Oxnard (Ventura County) for last night's draw at Master's Donuts, located at 1911 North Oxnard Boulevard. The ticket matched the numbers **55-66-8-10-17**, missing just the Mega Number 3.

No one in any state won last night's Mega Millions jackpot, so that means that Tuesday's jackpot is now an estimated \$480 million. Californians have more than [23,000 options for where to buy their tickets](#). Mega Millions draws take place Tuesdays and Fridays at 8 p.m. PT. Players must buy their tickets before 7:45 p.m. on the day of the draw in order to be included. Any tickets purchased after 7:45 p.m. would be eligible for the following draw. Players can find all the details about Mega Millions, including odds of winning at any prize level, on the [California Lottery website](#).

The California Lottery's mission is to provide supplemental funding to California public schools, including kindergarten and grades 1-12, community colleges, the California State University, the University of California, and other California public educational entities. The funds the Lottery transferred to public education totaled approximately \$2 billion for fiscal year 2021-22, which amounted to a modest percentage of education's overall budget. However, this funding is largely discretionary, meaning schools can use this for important, yet unfunded instructional programs they would otherwise not afford. During the same period, the Lottery generated more than \$8.8 billion in sales, more than 95% of which went back to the community in the form of prize payments, retailer commissions and bonuses, and contributions to education.
