A Winning Weekend – SuperLotto Plus® Ticket Sold in NorCal Hits \$54 Million Jackpot

CA Lottery Also Reveals Names of Three More Big Winners

SACRAMENTO – It was a big win for one lucky California Lottery player this weekend as a ticket sold for Saturday night's *SuperLotto Plus* drawing hit the \$54 million jackpot. That lucky ticket matched all six numbers: **11, 13, 14, 15, 46 and 5**, and was sold at the 7-Eleven on Cottonwood Street in Woodland.

The *SuperLotto Plus* jackpot had been rolling since early February, and in those 48 draws, California Lottery raised [more than \\$50 million for public education](#) just from sales of that game alone.

The Lottery will not know who Saturday night's big winner is until they [come forward to claim](#) their prize. *SuperLotto Plus* jackpot winners have 180 days from the date of the draw to claim. Claim forms are available on the California Lottery [website](#), at Lottery's [nine offices](#) across the state, or at any of the more than [23,000 California Lottery retail partners](#).

The winning doesn't stop there. Three more winners are claiming almost \$5 million in prizes. Each of these three tickets nearly won the jackpot for their drawings, matching five of six numbers.

Sean O'Brien won \$1,622,812 on a *Powerball*® ticket purchased for the April 3 drawing. That ticket was purchased at Oxnard Shores Bottle Shop in Oxnard.

Lauren Tom is one in a group of players who won \$1,748,612 on a *Mega Millions*® ticket purchased for the March 19 drawing. That ticket came from Lichine's Liquor and Deli in Sacramento.

Similarly, **E. Hintze** is also a winner representing a group who struck it rich on a *Mega Millions* ticket sold at Napa Bowl in Napa. They are taking home \$1,578,415 thanks to their lucky numbers in the February 6 drawing.

###

The mission of the California Lottery is to raise additional funding for public education, helping to supplement school budgets for K-12 as well as colleges and universities. **The California Lottery has raised more than \$43.8 billion for public schools** through the responsible sale of its games since 1985. Lottery funding for schools is largely discretionary, so administrators and educators can use Lottery money for instructional programs and services they may not otherwise afford. The California Lottery features eight [draw games](#) and dozens of new instant [Scratchers](#) games each year. More than 95% of California Lottery sales revenue goes back to the community in the form of prize payments, [retailer commissions and bonuses](#), and contributions to education. More information about who benefits can be found [here](#). California Lottery is also committed to promoting [responsible gaming](#). Anyone who shows signs of a gambling problem, or knows someone who does, can get free, confidential help by calling the CA Problem Gambling Hotline at 1-800-GAMBLER.
