A Winning Weekend for One Lucky California Lottery Player

SACRAMENTO – One lucky California *Powerball*® player who picked up their ticket in Orange County matched five correct numbers in the draw Saturday night, winning \$3,181,602.

The winning numbers were 19,36,37,42,59, and 19. The winner picked up their ticket at the Q Quick Mart at 540 North Magnolia Avenue in Anaheim.

In the meantime, no one in any state hit the *Powerball* jackpot, so that top prize now rolls to an estimated \$88 million for Monday. *Powerball* draws three nights each week – every Monday, Wednesday, and Saturday. Tickets are \$2 each and can be purchased at any of the more than [23,000 in-person California Lottery retail locations](#) in California.

The mission of the California Lottery is to raise additional funding for public education, helping to supplement school budgets for K-12 as well as colleges and universities. **The California Lottery has raised more than \$43.8 billion for public schools** through the responsible sale of its games since 1985. Lottery funding for schools is largely discretionary, so administrators and educators can use Lottery money for instructional programs and services they may not otherwise afford. The California Lottery features eight [draw games](#) and dozens of new instant [Scratchers](#) games each year. More than 95% of California Lottery sales revenue goes back to the community in the form of prize payments, [retailer commissions and bonuses](#), and contributions to education. More information about who benefits can be found [here](#). As jackpots rise, the California Lottery would like to remind players that gambling should be fun. Borrowing money to play, spending above a person's budget, or using money intended for other purposes can ultimately lead to significant problems for players and their families. If a player recognizes that they have a gambling problem or if someone knows of someone who may have a problem, the Lottery recommends calling the California Problem Gambling Help Line at 1-800-GAMBLER.
