[Tetris theme music plays in the background]

How to play \$3 Tetris from California Lottery Scratchers.

A Tetris Scratchers card appears on the screen. The directions say to scratch each of the 12 "Your Tetriminos" at the top of the Scratchers card. Each "Your Tetrimino" is a Tetramino shape with a letter and number identifier.

For each "Your Tetrimino" revealed, scratch only the same shape with the exact letter and number identifier each time it appears in the "Your Matrix" section of the card, which is beneath the "Your Tetrimino" section. If you reveal a complete horizontal row in the "Your Matrix" section using "Your Tetriminos", then you win the corresponding prize for that row. Yes!
