ISSUE

The California State Lottery (Lottery) contracts with Go-Getters Delivery, Inc. (Go Getters) to provide designated bulk delivery services for Scratchers® tickets and Point-of-Sale (POS) items in Northern California. The current contract is set to expire on June 14, 2025.

BACKGROUND

The Lottery currently contracts with Go-Getters for shipping Scratchers and POS items to and from the Lottery's Northern Distribution Center (NDC) and its four Northern California District Offices (DO), which support over 8,900 retailers. The three-year contract runs through June 14, 2025, and includes two one-year options to extend the term.

Shipments are arranged on an as-needed basis, and the number of pallets delivered to a DO on each shipment varies depending on the sales volume and campaign needs for the retailers supported by the receiving DO. Each shipment can weigh up to 10,000 pounds.

DISCUSSION

This contract has allowed the Lottery to successfully ship Scratchers and POS materials to and from the Northern DOs timely and has ensured the Lottery had a consistent pricing structure over the past three years. The Lottery has shipped over 170 bulk carrier loads with Go Getters over the past three years. They have performed well against the scope of work and have been responsive and timely with scheduling and deliveries.

While the Lottery could go out to bid for these services, it is not necessary when there is a capable vendor in place and an option to extend the contract. Exercising a one-year extension will enable the Lottery to maximize sales opportunities in Northern California by ensuring the DOs have adequate inventory of Scratchers and POS to meet the needs of their retailers.

Staff estimates that the current remaining expenditure authority of \$233,000 is sufficient to cover the proposed one-year extension period.
