Our Mission:

We generate supplemental funding for public education from elementary schools to universities. With honesty and integrity, we build a better tomorrow for students and our communities through the responsible sale of entertaining lottery products.

California Lottery Supports GCC

Football Program: Lottery support extends to the college's football program, helping students develop teamwork, discipline, and leadership skills.

Culinary Program: With Lottery-provided resources, Glendale Community College empowers aspiring chefs, providing hands-on training and preparing them for successful careers.

VR Learning: Lottery dollars fund innovative virtual reality learning experiences, allowing students to engage with cutting-edge technology and deepen their understanding across disciplines.
