

Retailers That Have Been with the California Lottery Since We Began in 1985!

It's our 40th anniversary and we would not have been able to deliver four decades of Lottery fun and more than \$46 billion of supplemental funding for public education without the support of our retailers throughout California. We celebrate the 781 retailers who have been with us since the beginning. We greatly appreciate their unwavering dedication, partnership, and support. Be sure to pay them a visit the next time you're in their city!
