

Downey Unified School District: Supporting Career Readiness Video Transcript

The video opens with an animated orange step and repeat background of the California Lottery Logo. A large colorful logo animates in and reveals the words “Schools rely on California Lottery Funding”

[Upbeat steady music plays in the background throughout]

Dr. Allen Tyner says: “If we didn't have the funding from the California Lottery, our students wouldn't be ready to go out into the workforce.”

Dr. Tyner is seen in a studio setting with students. Scene changes to two teenage students in a lab setting with safety glasses on.

Dr. Tyner is seated in a television studio setting and speaking to the camera.

Dr. Allen Tyner says: “At Downey Unified we really pride ourselves on our students being college and career ready.”

The California Lottery Logo Sweeps by and transitions back to the orange background with the step and repeat of the California Lottery logo and in bold white text the words “Supporting California Public Schools since 1985.

Dr. Allen Tyner says: “So we have an audio visual pathway where students really learn how to operate cameras, set up stages, operate mics.”

Camera revolves around students showing them in several scenes in television studio settings, operating cameras, setting up stages, using audio equipment.

Dr. Allen Tyner says: “In our advanced manufacturing pathway, our students work on CNC machines, lathes, desktop mills.”

Camera tracks students operating equipment in a lab setting, setting up machining tools, CNC Machines, lathes. Two students are shown looking at and pointing towards a computer screen.

The California Lottery Logo sweeps across the screen to reveal the orange background with the step and repeat California Lottery Logo. Bold white text reads \$46 Billion raised for Education.

Dr. Allen Tyner says: “Thank you to the California Lottery for helping our students to be college and career ready.”

3 Students outside the school wave at the camera. A Student wearing safety glasses standing next to a CNC machine smiles at the camera. 6 students in a row in the television student setting smile and wave at the camera.

NARRATOR says: “The California Lottery, you play, schools win.”

The Lottery Logo continues to animate as bold white text appears and Animates the words “You Play, Schools Win”
