California State Lottery employee says:

“Welcome to the celebrating 40 years together series. California’s very own exclusive jackpot game, SuperLotto Plus, has been making dreams come true for decades. But, did you know that it hasn’t always been called SuperLotto Plus? The game launched back in the 1980s as Lotto 649, which later became SuperLotto, and finally evolved in 1992 into the game we know and love, SuperLotto Plus. SuperLotto Plus is all about dreaming big. Just in March of this year, a big dream came true when a lucky ticket for \$30 million was sold in Cotati, California.”
