

You Play, Schools Win! \$46B For California Public Education Since 1985 Video Transcript

The video opens with an animated orange step and repeat background of the California Lottery Logo. A large colorful logo animates in and reveals the words “Schools rely on California Lottery Funding”

NARRATOR says: “The California Lottery is turning 40 and we've got so much to celebrate.”

[Upbeat lively music plays in the background throughout]

The California Lottery logo sweeps across and creates a transition to a classroom scene where students and an instructor sit on the floor in a circle.

A scene of two rows of young students are seated on chairs and on the floor using tablets doing schoolwork. The scene ends zooming into one student typing as she talks. Another student is talking and raising his fist.

NARRATOR says: “Since 1985, we raised more than \$46 billion for California's public schools and universities.”

The California Lottery Logo Sweeps by and transitions back to the orange background with the step and repeat of the California Lottery logo and in bold white text the words “Supporting California Public Schools since 1985.

A blurred background transitions to children outside on a field playing soccer. One kicks a ball into a soccer goal

A group of children kneel in front of a similar sized group and wave at the camera.

A group of students with headphones on are talking in front of studio microphones. Another student is operating a studio camera with a teleprompter displaying text.

A teenage student is seated in front of a Studio video monitor displaying teleprompter text.

A line-up of students in a television studio wave at the camera smiling

The California Lottery Logo sweeps across the screen to reveal the orange background with the step and repeat California Lottery Logo. Bold white text reads \$46 Billion raised for Education.

NARRATOR says: “These resources provide critical support for teacher salaries, afterschool programs, athletics and the arts. Thank you for joining us. As champions of public education. “

A Teacher sits in front of a small group of students as she talks and reveals Spanish language index cards to them.

A group of Middle school children in 3 rows, some seated on the floor, Some in chairs, and some standing are next to their teachers and all are smiling and waving at the camera.

A Group of teenagers dressed in Mariachi attire play guitars and fiddles in a circle as the camera revolves around them.

The scene changes to a teenage student holding a soccer ball in front of a goal, and then another student carrying a tray of pottery in a ceramics studio and smiling.

A scene of two students in a lab setting wearing safety glasses and gesturing to a project.

A scene of 3 students wearing safety glasses are looking into the engine compartment of a vehicle

A student in a blue striped uniform is looking at the camera and smiling as he puts on his safety glasses.

A student in a white graduation cap and gown smiles at the camera. The California Lottery Logo sweeps in and transitions the scene to the Orange background.

NARRATOR says: "The California Lottery, you play, schools win."

The Lottery Logo continues to animate as bold white text appears and animates the words "You Play, Schools Win"
