### ***Powerball® Brings Some Midweek Heat***

#### *Rocklin Ticket Has One Lucky Player Holding Nearly \$6 Million*

**SACRAMENTO** – There's a lucky player out there tonight in Rocklin who stopped by the Rocklin Mini Mart and purchased a ticket matching 5 numbers, missing just the Powerball for a prize of \$5,717,713.

The winning numbers were 53,39,29,20,5, and the Powerball was 6. In addition to the 5-number match, 2 more tickets matched 4 numbers and the Powerball for prizes worth \$21,796 each.

No one hit the jackpot in any state tonight, so the *Powerball* jackpot continues to grow. On Saturday, March 29, the prize will be worth an estimated \$515 million. *Powerball* draws three nights each week – every Monday, Wednesday, and Saturday. Tickets are \$2 each and can be purchased at any of the more than [23,000 in-person California Lottery retail locations](#) in California.

The mission of the California Lottery is to raise additional funding for public education, helping to supplement school budgets for K-12 as well as colleges and universities. **The California Lottery has raised more than \$46 billion for public schools** through the responsible sale of its games since 1985. Lottery funding for schools is largely discretionary, so administrators and educators can use Lottery money for instructional programs and services they may not otherwise afford. The California Lottery features eight [draw games](#) and dozens of new instant [Scratchers](#) games each year. More than 95% of California Lottery sales revenue goes back to the community in the form of prize payments, [retailer commissions and bonuses](#), and contributions to education. More information about who benefits can be found [here](#). California Lottery is also committed to promoting [responsible gaming](#). Anyone who shows signs of a gambling problem, or knows someone who does, can get free, confidential help by calling the CA Problem Gambling Hotline at 1-800-GAMBLER.
