Jackpot! One SuperLotto Plus® Winner Gets the Goods

Winning Ticket Sold in Cotati Worth \$30 Million

SACRAMENTO – One California Lottery ticket sold in Cotati is now worth \$30 million. The *SuperLotto Plus* ticket matched all six numbers in Wednesday night's draw. Those winning numbers were 3, 13, 17, 23, 35, and 24.

The lucky ticket was sold at the 76 gas station and market on Gravenstein Highway, just off Highway 101 in Sonoma County. The shop gets a bonus of \$150,000.

SuperLotto Plus is California's original millionaire-maker and can only be played in the Golden State. The California Lottery won't know who Wednesday night's big winner is until they come forward.

SuperLotto Plus jackpot winners have 180 days from the date of the drawing to claim their prize, making the deadline for this prize September 1, 2025. Claim forms are available on the [California Lottery website](https://www.calottery.com). Players can also pick up a claim form at any of the more than 23,000 California Lottery [retail partner locations](#).

The California Lottery does not announce the names of winners until after they've been vetted by law enforcement, declared the rightful winner, and received their official prize payment. The last time a *SuperLotto Plus* jackpot was hit was back in December, with a winner yet to be revealed.

Three other players may have missed out on millions, but their tickets are still worth a respectable \$11,609 each. Those tickets were sold at Fast Mart on Snyder Lane in Rohnert Park, McNeece Mart on Main Street in El Centro, and the Chevron at 4300 Madison Avenue in Sacramento.

The odds of hitting the *SuperLotto Plus* jackpot are 1 in 41,416,353; the odds of winning at any of the nine prize levels are just 1 in 23.

There were more than [97,000 winning tickets](#) in Wednesday's draw.

SuperLotto Plus is just \$1 to play, and from every ticket sold, approximately 40 cents goes toward supplementing budgets for public schools, which is the sole mission of the California Lottery. Anyone can see how much has been raised for schools in California by county or by school district at www.calottery.com/who-benefits.

#

The mission of the California Lottery is to raise additional funding for public education, helping to supplement school budgets for K-12 as well as colleges and universities. **The California Lottery has raised more than \$46 billion for public schools** through the responsible sale of its games since 1985. Lottery funding for schools is largely discretionary, so administrators and educators can use Lottery money for instructional programs and services they may not otherwise afford. The California Lottery features eight [draw games](#) and dozens of new instant [Scratchers](#) games each year. More than 95% of California Lottery sales revenue goes back to the community in the form of prize payments, [retailer commissions and bonuses](#), and contributions to education. More information about who benefits can be found [here](#). California Lottery is also committed to promoting [responsible gaming](#). Anyone who shows signs of a gambling problem, or knows someone who does, can get free, confidential help by calling the CA Problem Gambling Hotline at 1-800-GAMBLER.
