Hello, Newman - Powerball® Match Delivers Twice

Two Lucky California Lottery Players Are Masters of Their Domain in Orange and Newman

SACRAMENTO – No one hit the *Powerball* jackpot of \$189 million Wednesday night, so the *Mega Millions® – Powerball* duel will continue as *Powerball* rolls over to an estimated \$207 million for Saturday's draw, just after Friday's *Mega Millions* drawing tests its \$189 million jackpot.

But Wait! Two New Millionaires Are Out There

The winning numbers Wednesday night were 23, 27, 32, 35, 59, and the Powerball was 11. The big news is that two tickets sold in California matched the first five numbers, only missing the Powerball. These lucky tickets are worth \$1,326,260 each. One was sold in Newman, by the Arco Station at 1147 N Street. The other lucky ticket came from the Ralphs at 1435 W. Chapman Avenue in Orange. Each retailer will get a bonus of more than \$6,600 for selling those big winning tickets.

Powerball draws three nights each week – every Monday, Wednesday, and Saturday. Tickets are \$2 each and can be purchased at any of the more than [23,000 in-person California Lottery retail locations](#) in California. For every ticket sold in California, about 80 cents goes toward supporting [public education](#).
