A SuperLotto Plus® Weekend Of Winning

The Answer to the \$64 Million Question Was Anaheim

SACRAMENTO – One extremely lucky California Lottery player woke up Sunday morning a multimillionaire after matching all six numbers in Saturday night's [SuperLotto Plus®](#) drawing. The jackpot-winning ticket is worth an estimated **\$64 million**. Saturday's winning numbers were **3, 25, 27, 29, 37**, and **Mega 17**.

The **7-Eleven** at 240 S. Magnolia Ave. sold the winning ticket.

While the jackpot was hit, three additional tickets matched all five numbers (missing only the Mega number). These tickets were sold at:

- **Mr. Liquor**, 7807 Madison Ave, Citrus Heights
- **Northgate Market**, 4700 Cherry Ave, Long Beach
- **Stater Bros**, 14168 Hwy 395, Adelanto

All three are worth \$13,920 each. The luck for this draw didn't end there, with 17 more players matching four numbers plus the Mega number for \$1,228 each. A *SuperLotto* weekend of winning, all for \$1 and a dream.

Schools Win

[Since 1985, the California Lottery has fulfilled its mission of providing supplemental funding](#) to public education while paying more than \$90 billion to Lottery winners in every corner of the state. Out of the \$154.4 billion in revenue generated by California Lottery sales over its first 40 years, over 95%, a total of \$147.3 billion, returned to local communities through retailer compensation, contributions to education, and prize payouts.

###

The mission of the California Lottery is to raise additional funding for public education, helping to supplement school budgets for K-12 as well as colleges and universities. The California Lottery has raised more than \$48 billion for public schools through the responsible sale of its games since 1985. Lottery funding for schools is largely discretionary, so administrators and educators can use Lottery money for instructional programs and services they may not otherwise afford. The California Lottery features eight [draw games](#) and dozens of new instant [Scratchers](#) games each year. More than 95% of California Lottery sales revenue goes back to the community in the form of prize payments, [retailer commissions and bonuses](#), and contributions to education. More information about who benefits can be found [here](#). As jackpots rise, the California Lottery would like to remind players that gambling should be fun. Borrowing money to play, spending above a person's budget, or using money intended for other purposes can ultimately lead to significant problems for players and their families. If a player recognizes that they have a gambling problem or if someone knows of someone who may have a problem, the Lottery recommends calling the California Problem Gambling Help Line at 1-800-GAMBLER.
