From The Bay To LA, A Little Play Goes Big

Three Scratchers® Players Uncover Multi-Million-Dollar Prizes While Jackpots Grow

SACRAMENTO – As the state watches all three jackpot games grow, with [Powerball®](#) and [Mega Millions®](#) dueling on the road to big prizes while [SuperLotto Plus](#) is rising steadily each week, Scratchers® has been making players into millionaires.

Once again, a streak of major wins has traveled nearly the length of California, starting in the Central Valley, sweeping through the Bay, and landing in Southern California.

- In **Stockton**, Jose Ponce Flores took home **\$5 million** playing **\$5,000,000 Superstar** with a ticket purchased at **Chevron #1580, 4344 E Waterloo Rd, Stockton, CA 95215**.
- In **Los Gatos**, Hae Kim became a **\$5 million** winner on [100X The Cash](#) with a game purchased at **Safeway 08-1245, 15549 Union Ave, Los Gatos, CA 95032**.
- In **Lynwood**, Alberta Davis claimed a top prize of **\$10 million** playing [7's](#), with the winning ticket sold at the **Lynwood Farmers Market, US La Michoacana, 12301 Atlantic Ave, Lynwood, CA 90262**.

Public schools across California use Lottery funds to enhance their career technical education programs at both [the high school](#) and [community college level](#). Lottery funds provide critical program support, as well as funding that [eases the material burden for students so they can stay in school](#). To find out more about the funds distributed by the California Lottery to public education across the state, visit www.calottery.com/who-benefits.

The mission of the California Lottery is to raise additional funding for public education, helping to supplement school budgets for K-12 as well as colleges and universities. The California Lottery has raised more than \$48 billion for public schools through the responsible sale of its games since 1985. Lottery funding for schools is largely discretionary, so administrators and educators can use Lottery money for instructional programs and services they may not otherwise afford. The California Lottery features eight [draw games](#) and dozens of new instant [Scratchers](#) games each year. More than 95% of California Lottery sales revenue goes back to the community in the form of prize payments, [retailer commissions and bonuses](#), and contributions to education. More information about who benefits can be found [here](#). As jackpots rise, the California Lottery would like to remind players that gambling should be fun. Borrowing money to play, spending above a person's budget, or using money intended for other purposes can ultimately lead to significant problems for players and their families. If a player recognizes that they have a gambling problem or if someone knows of someone who may have a problem, the Lottery recommends calling the California Problem Gambling Help Line at 1-800-GAMBLER.
